Andrew McAllister, Commissioner
California Energy Commission
Australia Events
November 18-27, 2017**

2: The Energy Efficiency Council is a not-for-profit membership association which exists to make sensible, cost effective energy efficiency measures standard practice across the Australian economy. They work on behalf of their members to promote stable government policy, provide clear information to energy users and drive the quality of energy efficiency products and services.

3.2 Commissioner Andrew McAllister will be a key speaker at Australia's annual Energy Efficiency event and will also meet with several key business and government officials in Melbourne, Australia and Sydney, New South Wales to exchange information related to energy efficiency, smart energy management, distributed power systems and other energy-related priorities of California and Australia.
