Addendum 5

December 16, 2014

PON-09-607

GRANT SOLICITATION APPLICATION PACKAGE

Alternative and Renewable Fuel and Vehicle Technology Program

Subject Area: California Ethanol Producer Incentive Program (CEPIP)

The purpose of this addendum is to close this solicitation. Effective immediately, applications to the California Ethanol Producer Incentive Program will no longer be accepted.

This addendum does not negate any contractual or repayment obligations of any CEPIP participant. All contractual and repayment obligations must be completed in accordance with the terms of the CEPIP Participant Agreements.
