

## NOTICE OF PUBLIC HEARING

### City of Industry Renewable Energy Resources Procurement Plan & Enforcement Policy

On June 3, 2013, notice has been given that the City Council of the City of Industry shall hold a public hearing to consider the adoption of the City of Industry Renewable Energy Resources Procurement Plan & Enforcement Policy (the "Renewable Energy Policy"). State law requires that a local publicly owned electric utility, such as the City of Industry, adopt and implement a Renewable Energy Policy to procure a minimum quantity of electricity products from eligible renewable energy resources, including renewable energy credits, to meet the compliance targets specified in California's Renewable Portfolio Standard.

A copy of this Notice as well as the Renewable Energy Policy is on file in the office of the City Clerk, City Administrative Offices, 15625 East Stafford Street, Suite 100, City of Industry, California 91744.

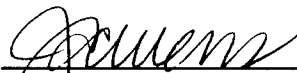

Additionally, a copy of this Notice as well as the Renewable Energy Policy has been posted on the City of Industry Internet Web site and may be viewed and/or downloaded on-line at <http://www.cityofindustry.org>

The time, date and place of such hearing shall be as follows:

Time:	9:00 a.m.
Date:	July 11, 2013
Place:	City Council Chamber 15651 East Stafford Street City of Industry, CA 91744

Any person wishing to provide comments regarding this matter may appear at the above time, date and place.

If you challenge the approval of the Renewable Energy Policy in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City Council of the City of Industry at, or prior to, the public hearing.
